Subject:	Temporary Banking Signatory Change
Date :	11 March 2024
Reporting Officer:	Micah Nkiwane
Status:	Decision

Westpac Banking signatories currently include Chief Executive Officer Kiley Hanslow, Manager of Corporate and Commercial Micah Nkiwane and Operations Manager Perry Gould.

Issue

- Council wishes to proceed with the purchase of EFTPOS equipment for the Council Administration Office.
- Authorisation for this purchase requires all bank signatories to approve.
- Operations Manager Perry Gould is presently on leave, therefore the purchase of the equipment cannot proceed without his signature.

Proposed Solution (suggested by the bank)

- Temporarily remove Operations Manager Perry Gould as a Westpac Banking signatory.
- Council can then proceed with the purchase of the required equipment.
- Operations Manger Perry Gould will be added back as a Westpac Banking signatory on his return from Annual Leave.

Endorsement of this proposed solution is sought from the elected members.

Resolution: Temporary Banking Signatory Change
