# 1. Customer Service Standards

Wujal Wujal Aboriginal Shire Council (WWASC) is responsible for providing water and sewerage services to residential, commercial and industrial customers.

WWASC manages the water storage and is responsible for operating and maintaining water and sewerage assets throughout the Shire.

## 1.1 Long Term Continuity of Services

WWASC will take all reasonable action to provide its customers with reliable and continuous services. Council is committed to ensuring that water mains and sewers that are reaching the end of their useful life are replaced subject to availability of funds. Council aims to minimise the number of water main leaks and breaks, reduce water loss in the system and reduce the number of breaks and blockages in the sewerage system. This will be assisted by system monitoring and planned maintenance programs.

## 1.2 Planned and Unplanned Service Interruptions

For planned temporary service interruptions, such as maintenance of water mains, Council will provide affected customers with at least 48 Hours' notice of the type and timing of our activities.

Where Council is not able to provide prior notice, we will endeavour to restore your services as quickly and efficiently as possible to minimise inconvenience to affected customers.

## 1.3 Quality of Water Supply

Council will endeavour to ensure that the potable water supplied:

- Meets the Australian Drinking Water Quality Guidelines
- Meets reasonable needs
- Is clear and free from objectionable odour and taste
- Meets legislative requirements of the Department of Energy and Water Supply

## 1.4 Sewerage Services

Council will endeavour to provide sewerage services that:

- Meet reasonable needs
- Avoid odours, overflows and interruptions
- Meet regulatory requirements
- Meets legislative requirements of Environment and Heritage Protection

## 1.5 Trade Waste Services

A Trade Waste Approval is required for any discharge of trade waste into Council's sewerage system. This approval is to be obtained from Council. Wujal Wujal Aboriginal Shire Council Water & Sewerage Customer Service Standards 3.
